IN THE MATTER OF THE SEARCH OF

Case No. \_\_\_\_\_

**Filed Under Seal**

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false

or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On February 19, 2021, I intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail flat rate box, bearing tracking number 950551402111047525284, postmarked February 16, 2021, with the following address information:

**Sender:** BROOK MAVLdin  
1645 W. PCH  
WiLmington, CA 90744

**Addressee:** MRS. MAVLdin  
121 WALton AVE.  
DAYton, OH  
45417

Through training and experience as a Postal Inspector, I know that Southern California is known drug source location.

4. I performed a check in CLEAR database for the addressee’s information on the Package of “MRS. MAVLdin 121 WALton AVE. DAYton, OH 45417.” CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no “Mrs. Mavldin” associated with 121 Walton Ave, Dayton, OH 45417.

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “BROOK MAVLdin 1645 W. PCH WiLmington, CA 90744.” According to CLEAR, there is no “Brook Mavldin” associated with 1645 W PCH, Wilmington, CA 90744.

6. On February 19, 2021, at my request, Dayton Police Department Officer Seth Gabbard conducted a narcotics-detection canine “free air” check of the outside of the Package. I was present during said check. Prior to conducting the “free air” check, I placed the Package in a room with multiple similar and like packages. As set forth in the attached affidavit of Officer Gabbard, “Jake” alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. “Jake” is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package’s address information, including (i) no known association between the sender and return address, (ii) no known association between the addressee and recipient address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

OFFICER AFFIDAVIT

I, Officer Seth Gabbard, am and have been employed by the Dayton Police Department since 01/19. Among other duties, I am currently the assigned handler of narcotics detection canine "Jake" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Marijuana, Cocaine, Methamphetamine, and Heroin

On 2/19/21, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Jake" did alert to and indicate upon: [describe item]

95055140211104752684  
BROOK MAVLDIN                           MRS. MAVLDIN  
1645 W. PCH                               121 WALTON AVE  
WILMINGTON, CA 90744                   Dayton, OH 45417

Which, based upon my training and experience and that of "Jake", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
